Dear Sir:

This Amendment is being filed in response to the Office Action dated August 30, 2002, setting a three-month shortened statutory period for response ending November 30, 2002.

Please amend the above-captioned patent application as follows:

In the Specification

Please replace the paragraph beginning on page 4, line 18, with the following rewritten paragraph:

B' The first material layer (or top mirror layer in an alternative embodiment) preferably has a refractive index that is less than the refractive index of the second material layer, and the first and second material layers preferably have a refractive index that is less than the refractive index
